

INSTRUCTIONS TO AUTHOR- General Guidelines

ANU-Search: The International Journal of Pharma and Allied Sciences

ANU-Search: The International Journal of Pharma and Allied Sciences, is the official scientific publication of Anuradha College of Pharmacy, Chikhli, Buldhana, Maharashtra (India). The journal is dedicated to advancing knowledge and innovation in the field of pharmaceutical research, development, and practice. Our journal serves as a platform for researchers, practitioners, and policymakers to disseminate and exchange cutting-edge findings, insights, and ideas that contribute to the betterment of global healthcare.

At ANU-Search: The International Journal of Pharma and Allied Sciences, we strive to promote excellence in pharmaceutical research and facilitate interdisciplinary collaboration among professionals from various domains, including pharmacology, drug development, clinical trials, pharmacogenomics, pharmaceutical policy, and more. Our mission is to foster the dissemination of high-quality, evidence-based research that drives advancements in patient care, therapeutic interventions, and healthcare outcomes. The journal is published quarterly (Yearly four issues).

General

All submitted manuscripts should contain original work neither published previously nor under consideration for publication elsewhere. Articles shall be accepted from any country provided submitted in English language only. There is page limitation for articles up to 15 pages; the authors must strive to present their results as clearly and concisely as possible. Authors, in their cover note to Editor, shall have to clearly mention whether the manuscript is to be considered as a Research article, Clinical trials, Case study, Commentaries/Editorial, Short communications or a Review article.

Peer review policy

The journal aims at rapid publication of articles while maintaining rigorous peer review process, each article will be subjected to a minimum of two reviews by two individual reviewers. Reviewers will be insisted to review the paper within 30 days time and if he/ she fail to return will be sent to other reviewer for review. All authors are requested to send one copy of manuscript to suggested one reviewer by electronically to review the manuscript not of authors' institution or affiliation and the editorials shall send second copy to enlisted reviewer for reviewing the article. The reviewer shall reviewed the article as per instruction to author, special emphasis on spelling, format of references in text and reference section, methodology, citation of journals cited, and summary and findings. Manuscripts shall go through a peer review process to adjudge their suitability and authenticity, for publication in the journal. A confirmation about the acceptance of the manuscript will be sent to e-mail address of the corresponding author. Please check your e-mail account frequently, because you will receive all important information about your manuscript through e-mail only.

Submission of Manuscript

Authors may submit the articles only through the online manuscript submission submit a Paper system or directly forward their manuscripts at acppublication3@gmail.com. Authors are advised to submit the articles as MS Word format only with the pdf copy of letter for publication and copyright form duly signed by author/(s), scanned.

File size

No article should exceed more than 15 pages unless necessary, authors will be requested to substantiate the need if it exceeds the maximum number of pages. The file size of the MS word format may not exceed 10 MB size for submission through manuscript submission portal of <http://anusearch-ijpas.com/>

Language

Language of the articles should be only in English, we are not processing articles in any other languages

Font type

Articles should be typed in single line spacing with the following font pattern

Font type: Times new roman

Size: For heading or title: 14 points and Bold (Sentence case, not capitalize the titles unnecessarily unless required, e.g. HPLC, HPTLC, UV, GC, TLC, SEM, TEM, etc.)

Author/ Coauthors name: 12 points and Bold Affiliation/ Institute name: 10 points

For subtitles: 12 points and Bold

Content of article: 12 points

Table title, Figure captions and Content: 10 points

Submission order

The following order should be strictly followed while submitting the article

Front page: (Page-1) Title of article, authors' names, authors' institutional affiliations only and leave other spaces empty

On second page: (Page-2) Start with abstract of about 200-400 words exactly conveying the content of the article, Keywords (at least 5 words)

On third page: (Page-3 onwards) Main content text with all tables and figures aligned in their proper place (do not send tables and figures separately unless requested), List of symbols and Abbreviations, Acknowledgement, References (follow standard formats).

Instructions to Author- Preparation of Manuscript

Manuscripts should be submitted as per order: Title Page, name of author (s), Abstract, Key words, Introduction, Material and Methods, Results, Discussion, Acknowledgements (if necessary) and References. If the Result and Discussion sections are combined, then a Conclusion section should be added.

Title Page: The first page should contain a concise and informative title, the names and addresses of the authors and contact details of the corresponding author (postal address, e-mail, and fax and telephone numbers).

Abstract: It should be about 200-400 words. Key words: A maximum of 5 key words must be given at the end of the Abstract.

Introduction: This part should define the background and significance of the study by considering the relevant literature, particularly the most recent publications.

Material and Methods: Please provide concise but complete information about the material and the analytical, statistical and experimental procedures used. This part should be as clear as possible to enable other scientists to repeat the research presented.

Results: In this part, the same data/ information given in a table must not be repeated in a figure, or vice versa. It is not acceptable to repeat extensively the numerals from tables into text and give lengthy and unnecessary explanations of the Tables and Figures.

Discussion: This part must be written with reference to the tables and figures and by considering information from the literature. Statements made in the Introduction and Results sections should not be repeated here.

Acknowledgements: If necessary, a brief Acknowledgements section may be included.

References: References should be cited in the text in Arabic numerals in superscript. The references should be cited at the end of the manuscript in the order of their appearance in the text. For citation of references with three or more authors, only the first author's name followed by et al. should be used. References to journal articles, books, chapters in books, etc. should be cited, as follows:

Do not give on separate page. The table should with a brief but complete and self-explanatory caption so that the reader can easily understand the results presented in the table. Please do not duplicate material that is already presented in the figures.

General Guidelines for units and symbols - The use of the international System of Units (SI) is recommended.

Physical quantity	Base unit	SI symbol
Length	meter	m
Mass	gram	g
	kilogram	kg
	microgram	µg
Time	second	s
	minute	min
	hour	h
	day	d
	week	w
	month	mo
	year	y
Amount of substance	mole	mol
Area	square meter	m ²
Volume	cubic meter	m ³
	litre	l
	millilitre	ml
	microlitre	µl

Specification	Example	Correct style
Use lowercase for symbols or abbreviations,	kilogram	kg
Symbols are not followed by a period, exception end of sentence	meter	m
Do not pluralize symbols	kilograms	kg
When numbers are printed symbols are preferred	100 meters	100 m
Space between number and symbol	2mol 10mg	2 mol 10 mg
Place a zero before a decimal	0.01	
Decimal numbers are preferable to fractions	0.75	
Spaces used to separate long numbers exception four-digit number	1 500 000 1000	

Chemical terminology - The chemical nomenclature used must be in accordance with that used in the Chemical Abstracts.

Symbols and abbreviations - Unless specified otherwise, all temperatures are understood to be in degrees centigrade and need not be followed by the letter 'C'. Abbreviations should be those well known in scientific literature. *In vitro*, *in vivo*, *in situ*, *ex vivo*, *ad libitum*, *et al.* and so on are two words each and should be written in italics. None of the above is a hyphenated word. All foreign language (other than English) names and words shall be in italics as a general rule. Words such as carrageenan-induced inflammation, paracetamol-induced

hepatotoxicity, isoproterenol-induced myocardial necrosis, dose-dependent manner are all hyphenated.

Biological nomenclature - Names of plants, animals and bacteria should be in italics.

Enzyme nomenclature - The trivial names recommended by the IUPAC-IUB Commission should be used. When the enzyme is the main subject of a paper, its code number and systematic name should be stated at its first citation in the paper.

Spelling - These should be as in the Concise Oxford Dictionary of Current English.

SHORT COMMUNICATIONS

The journal publishes exciting findings, preliminary data or studies that did not yield enough information to make a full paper as short communications. These have the same format requirements as full papers but are only up to 10 pages in length in total. Short Communications should not have subtitles such as Introduction, Materials and Methods, Results and Discussion - all these have to be merged into the running text. Short Communications preferably should have only 3-4 illustrations.

REVIEW ARTICLES

Should be about 15 pages long, contain up-to-date information, comprehensively cover relevant literature and preferably be written by scientists who have in-depth knowledge on the topic. All format requirements are same as those applicable to full papers. Review articles need not be divided into sections such as materials and Methods and Results and Discussion, but should definitely have an Abstract and Introduction, if necessary.

Submission of Manuscript

Authors may submit the articles only through the online manuscript submission submit a Paper system or directly forward their manuscripts at acppublication3@gmail.com. Authors are advised to submit the articles as MS Word format only with the pdf copy of letter for publication and copyright form duly signed by author/(s), scanned.

Ethics and Consent

When reporting experiments on human subjects, authors should indicate whether the procedure follows were in accordance with the ethical standards of the responsible committee on human experimentation. Do not use patients' names, initials, or hospital numbers, especially in illustrative material. Papers including animal experiments or clinical trials must be conducted with approval by the local animal care or human subject committees, respectively.

Certificate of Conflict of Interest/ Plagiarism Report

Author(s) shall declared the conflict of interest Yes/ No before submission of manuscript for publication. The conflict of interest as mentioned in manuscript before references section or by the use of any free plagiarism checker, the author(s) shall provide the plagiarism report with submission of manuscript.

Plagiarism Checker

By the use of any free plagiarism checker, the author(s) shall provide the plagiarism report with submission of manuscript. **The Plagiarism level shall be below 15%.**

Article Processing/ Open access charges:

On acceptance of the manuscript, corresponding author will have to pay Rs. 1000/- (One Thousand) for Indian Author/s or \$ 30 (Thirty dollar) per manuscript for Foreign Author/s. The processing charge is for open access the article after six month of publication. The hard copy of issue will not be send to corresponding author, but one pdf copy of published manuscript shall be send as attached documents at corresponding author's email.
